# DRESS UP AS AWFUL AUNTIE

## Awful Auntie's Clothes

- Thick jacket, ideally tweed – if you don't have one, then you could use any old coat. Plus four trousers or pyjama trousers pushed up and tucked into long socks work very well too.
- Polo neck jumper or snood.
- Socks and boots.
- Glove or gauntlet.
- Accessories (see below).

## You might like to try these accessories

- Deer stalker hat - if you don't have one then you can cover a baseball cap in suitable material, using glue. If you want earflaps cut out two card ear flap shapes and cover them with matching material.
- Monocle – if not available, draw a monocle shape on your face with a make-up pencil or face paint crayon.
- Pipe optional.
